Arizona Career Readiness Credential Live Webinar

Arizona's employers have made it known that they have difficulty finding job candidates with the foundational academic and professional skills needed to be successful. The Arizona Career Readiness Credential was designed in direct response to those concerns.

A major initiative in partnership with ARIZONA@WORK and the Office of Economic Opportunity (OEO) makes the Arizona Career Readiness Credential available to job seekers across the state. This tool prepares job seekers for success by demonstrating their command of seven skill areas that are relevant to every occupation, industry and career pathway.

Join this webinar to learn how the Arizona Career Readiness Credential can benefit your business by better matching Arizona's workforce with your labor force needs.
